EDUCATION

Marist College – Poughkeepsie, New York

Bachelor of Science in Computer Science
Minors: Cybersecurity, IT, IS
Current GPA: 3.7

Expected May 2021

EXPERIENCE

Greene County Historical Society (GCHS)

Full Stack Engineer

Poughkeepsie, New York

Aug 2020 – Dec 2020

- Finalized and deployed the beta version of GCHS's website (Quil) using JavaScript, Node.js, NPM, HTML, CSS, and Docker.
- Fixed all known bugs from the alpha version that prevented Quil from being utilized by GCHS.
- Quil allows users to make valuable notes for their visitations at GCHS and for employees to manage a database of users.
- Successfully compiled full documentation for Quil that will enable a smooth transition for the new development team.

Marist College's OISS

Orientation Leader

Poughkeepsie, New York

Aug 2018 | Aug 2019

- Worked with the Office of International Student Services to organize a 2-week orientation program for incoming international students of 2018 and 2019.
- Introduced the students to the College through social activities and seminars while ensuring a successful orientation program.

Singapore Armed Forces (SAF)

Transport Specialist

Singapore, Singapore

Oct 2015 – Aug 2017

- Maneuvering of military vehicles through all terrains effectively and efficiently.
- Ensuring that troops and equipment get to where they need to be during missions.
- Plan, command, and provide transport support during peacetime.
